

Soundman Run Sheet - Show 5/29/26

One-page mix run sheet: vocals, solos/features, start/end cues, and the main sound watch for each song.

Rig Fender Mustang GTX 100. Presets should follow slots 1-15 in show order.	Priority Lead vocals first, then featured solos. Guitar boosts should add mids/body/sustain, not just volume.	Tempo blanks Use band count-in where BPM is blank. Fixed: Vampire 69, Boots 92, Valerie 102, Blink 148, Kerach 160.
---	---	---

Before downbeat: Confirm GTX slot order, lead vocal mics, featured solo channels, and the Blues Cnaani special setup: Nadav acoustic guitar, Ron drums, Vardit on accordion, Ronen on tambourine.
